

Only merit can secure an admission in KARACHI MEDICAL AND DENTAL COLLEGE

The messiahs of future should begin their academic career with resolve and determination: Rauf Akhtar Farooqui
Address in KMDC and Liaquat College of Medicine and Dentistry.

The Administrator Karachi declared that the only criterion for getting admission in KMDC is merit and this principle is followed a hundred percent. He said that only merit can ensure availability of best talent required to manage affairs of nation. He said that new generation is the future of Pakistan and it is vital that it prepares itself wholeheartedly for future challenges. He assured that KMC will provide all support to the medical institutions run under its control. The Administrator who chaired the Admission Board of KMDC that was held to grant admission to desiring candidates emphasized that the new entrants should make a habit of hard work and devotion to their careers.

The Administrator attended the meeting of the Admission Board of KMDC that comprised of Dr. Waqar Kazmi, Principal of KMDC, Professor Naila Zaheer, Dr. Zubair Abbasi, Professor Freeda Islam, Mr. Rafi Murshid Khan, Director Finance, Ms Nargis Shagufta, Director, Administration, Waseem Ahmed and other members of college staff. The college was full of applicants and their parents.

Briefing the Administrator, the Principal of KMDC mentioned that admission is granted every year for 350 seats in the college out of which 250 will be for MBBS and 100 for BDS. He said that 245 admissions will be given on open merit whereas 105 will be seats reserved for self finance and overseas Pakistanis that too are given on merit. He said that the admission board interviews more than 200 candidates a day and selects 600 for final selection to MBBS and BDS seats. He said that KMDC is affiliated with Abbasi Shaheed Hospital, KIH, Sobhraj
