

**PRESS RELEASE**

Karachi, March 16: Administrator Karachi, Sindh governments Spokesman and CM Advisor on Law Barrister Murtaza Wahab on Wednesday said that construction of one kilometer long Saifee Hospital Road in North Nazimabad has started which will be completed in a month at a cost of Rs 35 million.

"Work is underway on road construction and sewerage projects in every district of Karachi. The people would be served without discrimination," the Administrator said this while inspecting one kilometer long road under construction near Saifee Hospital in North Nazimabad here.

He was accompanied by Metropolitan Commissioner Syed Afzal Zaidi, PPP Central District President Senator Masroor Ahsan, Dil Mohammad and others.

The Administrator Karachi said that no work had been done on this road in last 15 to 16 years due to which it was in a bad condition and the passers-by especially the patients were facing severe difficulties.

He said that construction of Saifee Hospital Road has been started on priority basis keeping in view the plight of the citizens. and to facilitate the residents of the area and reduce the travel time.

He said that the width of this one kilometer long road is 30 to 50 feet. He said that KMC Director General Works department will oversee its construction.

The Administrator Karachi said that Sindh government is improving road network and basic civic amenities.

He said that work is underway on various development projects in different areas of Karachi, the fruits of which will soon be available to the citizens.

"PPP's vision is to improve the basic infrastructure of Karachi. Rs 1.5 billion has been allocated for the repair of damaged roads. Development works are being carried out in every area of the city without any discrimination, he added.

Barrister Murtaza Wahab said that construction of 22 roads in Central and West districts is underway.

He said that construction of 6 km long Machli Chowk to KANUPP Hawks Bay Road will facilitate the residents of the area, adding that for the first time this road has been made two lane.

He said that 15 roads have been constructed in Sher Shah, Site Industrial Area in Lyari, similarly work has been done on Shahra Noor Jahan and Johar Chowrangi.

He said that in order to provide better facilities to the citizens, Sands Pit Road has been completed and a recreational place was constructed at Manora where a beautiful coastal center is now available for the citizens.

He said that construction of Mauripur Road has been completed which will bring economic benefits.

The Administrator said that apart from this, work is also underway on other roads which will enhance the road network and provide convenience to the citizens.

End....
